

Let's throw a party!

For 30 years now we have been putting on our dancing shoes holding annual balls and party nights, we're excited to be back in 2024 to be hosting a very special 30th anniversary party!

Sincere Support is celebrating the successful growth and development of the charity and building the foundations for the future. There has been a lot of exciting and trying times over the last 30 years but we are proud to have been there every step of the way helping our families of sick children in hospital or who have sadly been bereaved.

We would be delighted if you were able to join us for our 30th anniversary Party on **Saturday 29th June 2024** at **The Platinum Suite, Sheffield United FC, Bramall Lane, Sheffield, S2 4SU**. Our live band are the dynamic "Acoustic Angels," Gary Sinclair (SUFC pitch announcer and owner of Sheffield's famous Maggie Mays) our host for the evening.

Dress to impress "its a party," with a drinks reception, a first class 2 course supper followed by tea/coffee and chocolate favours.

Tickets are priced at £50 per person with tables of 10 and 12 available.

For more information or to reserve your place today, please contact Beverley Lister on info@sinceresupport.com or beverleylister@btconnect.com or telephone **07855 770782**.

Please join us for this special evening, one not to be forgotten!

All good things

Bev xx
